

ROLE OF YOUTH

INTRODUCTION: -

Youth is joy. Youth is a phase in which small children have come out of their protective shells and are ready to spread their wings in the world of hope and dreams. Youth means to cherish hope. It is a time of development. It is the time for growth and change. He plays an important role in the development of our society. He has the potential to learn and adapt to the environment. He has the capabilities to bring social reforms and improvement to society. His idealism, enthusiasm and courage cannot be matched with any other segment in the society.

YOUTH'S ROLES AND RESPONSIBILITIES IN TODAY'S ERA:-

Youth and life indeed itself flashes by, in the blink of an eye that is why you need to ask yourselves what you can do for society and the country God has vested all power in the hands of the youth so that he can perform his duties effectively. They should start thinking positively and creatively. They must develop the spirit to refuse what is wrong in society. They must realize that now is the time to take action.

Youth should not seek an easy, comfortable path. No one develops in a pampered environment. These are some key responsibilities that the young generation must inculcate in them:

VALUE OF TIME:

It is the responsibility of the youth to understand the importance of time. Every moment is crucial for them to take action so punctuality is a must.

DISCIPLINE:

Youth has to understand the necessity of discipline in life. Youth is full of passion without discipline, the youngsters cannot work passionately.

THINKING BEFORE TAKING ACTION:

Youth must not be impulsive. It is very important to think before taking action. This is how the youth will be able to create a thoughtful society.

CHARACTER DRIVEN:

Character builds up a nation. The young people need to be morally strong, reflective individuals and dedicated which will drive them to take corrective actions for the nation.

FEARLESS:

The young must be courageous in taking action. Fearless youth can fight injustice.

GOAL-ORIENTED:

The youth needs to be focused on the goals that he wants to accomplish when the young generation is goal-oriented, then their vision and mission become very clear.

ZEALOUS:

Youth has to be energized, full of vitality with the attribute of zealotry, the youth can help to protect the national security and interest of a country and ideological position.

ROLE OF YOUTH IN BUILDING A NATION:

National development is now in the hands of the young generation. The older generation has passed on the baton to the youth. The young generation has more concurrent dreams, passion and hope. Youth in any country represents the future of his nation.

For the development of the country, the young people have to be hard working in any field they get involved in, be it teaching, farming mechanic or any other field. Today the youth is facing challenges in employment opportunities drug abuse, HIV/AIDS but there are chances to overcome of these challenges. They need to take up any job opportunity that is available till they get what they want to. The young generation has to be very responsible and say no to drugs. Youth empowerment can eradicate poverty from the country. He plays an important role in the constructive process of building social cohesion, economic prosperity and political stability of a nation in an inclusive and democratic way.

The young of a country counts as the most important asset that they can process. Youth is the chance for the entire nation to leave a mark on the entire globe. By making sure that the youth of a nation continues to grow with each passing day and ends up achieving some of the most brilliant

things that can put their country on the stop. The nation can rebuild and grow with them.

Better youth and better quality of life for youth assures success for not only the existing generation but also for the upcoming generation. Therefore there is no denying the fact that a country can become much better with the support of the youth that they have.

ROLE OF YOUTH FOR CHANGE IN THE SOCIETY:

Youth is the future society. The young generation simply needs to renew, refresh and maintain the current status of society. When he contributes his ideas and energy to resolve social issues, he becomes a capable leaders and can also make a difference in the lives of others. They must be have the courage to resolve the mournful contradictions that are society and boldly take on great challenges without shunning the subsequent problems and difficulties that they will inevitably face.

CONCLUSION:

Nothing can equal the splendour of the youth. To be young that itself is to possess a treasure of infinite worth far greater than any person of power. It is the responsibility of the older generation to provide them with the right resources, guidance and a good environment so that they become strong change agents in the community. They say that the strongest force is the power of the young. And it is true because the power and the strength that the young of a nation possesses is unmatched and does bring a chance to grow and develop not only for them but for the people around them
