WONDERFUL TEACHER

With a special gift for learning And with a heart that deeply cares You add a lot of love To everything you share And even though You mean a lot, You will never know how much For you helped To change the world So every life you touched You sparked the creativity In the students whom you thought. And helped them strive for goals That could not be bought, You are such a special teacher That no words can truly tell However much you've valued For the work you do so well.
