

**FRIENDSHIP**

**You need good friends to succeed in life...**

**You need that least one enemy to succeed in life.**

**Forgetting what we give and thinking of what we have received from others is the beauty of friendship.**

**The most valuable gift you can receive is an honest friend**

**I can't promise to fix**

**All your problems**

**But I can promise...**

**You won't face them all alone...**
