

**A DAUGHTER'S SOUL**

**I never show you maa  
How much I love you  
You work hard only for my sake  
Forget all your desires  
Turns my desires as yours  
Give up all your comforts  
Hide your pain in front of me  
How I praise you by my words  
You feel your tummy get filled  
When you feed me  
But also the unexplainable love  
Yeah I hurt you- Pardon me  
My world is dull without you maa  
You are the god of earth  
Can't see but can sense your love  
Even in my dead bed.**
